2025 Seminar Series “Case Studies on Food and Agricultural Statistics” LM Statistical Methods and Applications

This is the program of the FAO-seminar series for the academic year 2024-2025. Seminars will be held at 6pm in Lecture Room 34 (Department of Statistical Sciences, CU002 building 4th floor) for 2 hours as hybrid events (both **in-person** and online attendance is allowed at <https://uniroma1.zoom.us/j/98572638271?pwd=YlhxZEExsaUZXCjNkb0hGWnlnbjBmUT09>)

- **February 25th, 2025** – Introduction to the 2025 Seminar Series on Food and Agricultural Statistics, **Valerie Bizier**, Statistics Division and **Ashley Steel**, Forest Division
- **March 4th, 2025** - Methodology for the disaggregation of SDG indicators, **Aida Khalil**, **Stefano Di Candia**, Statistics Division
- **March 11th, 2025** - Laboratory: Small Area Estimation techniques for the disaggregation of SDG indicators, **Aida Khalil**, Statistics Division
- **March 18th, 2025** - SDG indicator 15.4.2: Monitoring progress on the conservation of mountain ecosystems – **Javier De Lamo**, Forestry Division
- **March 25th, 2025** - National Forest Monitoring - **Javier Garcia Perez**, Forestry Division.
- **April 1st, 2025** - Laboratory: Monte Carlo techniques for the study of forest cover statistics - **Javier Garcia Perez**, Forestry Division
- **April 8th, 2025** - Wood fuel statistics – **Ashley Steel**, Forestry Division
- **April 15th, 2025** - Laboratory: how to measure Wood Fuel – **Oliver Stoner**, Forestry Division
- **April 29th, 2025** - Food insecurity Experience Scale - **Carlo Cafiero**, Statistics Division
- **May 6th, 2025** - Laboratory: how to measure the Food insecurity Experience Scale - **Sara Viviani**, Statistics Division
- **May 13th, 2025** - Estimating the Prevalence of Undernourishment and the Percentage of people who cannot afford a healthy diet. Theoretical and empirical aspects – **Carlo Cafiero**, Statistics Division
- **May 20th, 2025** - Developing Models with data - **Rishi Sharma**, Fisheries and Aquaculture Division
- **May 27th, 2025** - Understanding SDG 14: from theory to practice - **Rishi Sharma**, Fisheries and Aquaculture Division

This seminar series is hosted in the M.Sc. Statistical Methods and Applications within the 3-credit course unit with code AAF1885 - *Case studies and statistical consulting*. For students enrolled to the course in person attendance is mandatory.
