Gravitational Wave Day

November 9th 2018 3.30 pm

Sapienza Università di Roma
Aula Amaldi – Physics Dep.

Programme

- 3:00 Welcome
- 3:30 Wave physics experiments for students
- 4:00 Prof. B. Barish public lecture
- 5:00 Meet who discovered the Gravitational Waves!

Einstein, Gravitational Waves and the Birth of a New Science

Prof. Barry Barish
2017 Nobel Prize in Physics

Participants are required to register (please use this web address or the QR-code)
