Blended Intensive Program

The Ethics of Narratives: Between old and new media

The BIP is part of the CIVIS Blended Intensive Programmes and will be hosted by the Department of Literature and Modern Cultures of Sapienza – University of Rome virtually from 20th to 23rd January and on campus from 3rd to 7th February 2025 in collaboration with Universidad Autonoma de Madrid, University of Bucharest and University of Glasgow.

The BIP analyses how the old and the new major media deeply influence modern culture from a moral and ethical point of view.
